Wildlife Asia

Walkathon Sponsorship form 2012

I am participating in a walkathon for Wildlife Asia (The Australian Orangutan Project, Asian Rhino Project, Free the Bears Fund and Silvery Gibbon Project) to raise funds, awareness and support for these endangered animals.

Every dollar you donate will provide funds for projects such as vital habitat protection, education programs and support to sanctuaries and breeding centres.

Please sponsor me in this walkathon on 18th March 2012 at Shelley River Foreshore.

Together we can save these species from extinction. Please give generously.
